MAKING BIG MOVES

Join us for the premier event of the year! The 2026 Cumberland Community Meeting.

Cumberland is **making big moves!** In the past year alone, Cumberland boasts a new national park revitalization, new interstate access, new public spaces, and much more.

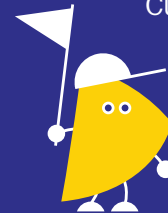

And we are just getting started.

The 2026 Cumberland Community Meeting will preview more big moves happening from a new renovated and expanded convention center, a new autonomous mobility network, new businesses, and a new Cumberland Art Festival.

You won't want to miss it!

SPONSORSHIP / INVESTMENT OPPORTUNITIES

All proceeds will go to One Cumberland, a 501(c)(3) charitable organization designed to bolster the Cumberland community.

CUMBERLAND COMMUNITY IMPROVEMENT DISTRICT

The Cumberland Community Improvement District (CID) is Georgia's first CID and a nationally recognized model for infrastructure investment and district enhancement. Since 1988, the CID has leveraged public-private partnerships to deliver transformative transportation projects, vibrant public spaces, and strategic economic development across the Cumberland area.

Funded by commercial property owners, the CID drives improvements that enhance mobility, safety, and quality of life, making Cumberland a premier destination to live, work, and visit.

ONE CUMBERLAND

One Cumberland is the nonprofit partner of the Cumberland CID, founded in 2022 to amplify the district's impact through community engagement, cultural enrichment, and environmental stewardship. As the area's first 501(c)(3), One Cumberland connects stakeholders, secures philanthropic support, and activates public spaces, advancing a shared vision for a vibrant, inclusive, and resilient Cumberland.

From creative placemaking to neighborhood partnerships, One Cumberland fosters connection and community well being across the district.
